NSF 328095 and any DOE Genesis Mission award would both be disclosed.
Ready-to-use language is in the August 22 package.

ANTICIPATED

Subaward statement of work and budget for UNT

WHERE Full application attachment | SIGNS Prepared by PlastiBioFuel with UNT input
Note the SRA1016 term: the proposed amendment runs to August 31, 2027, which is earlier than a 12-month period of performance beginning in 2027 would end.

ANTICIPATED

Foreign risk management and research security disclosures

WHERE Full application | SIGNS Michael Ward
Standard for DOE financial assistance. Not yet published for ASPECT.

ONE STANDING PERSONNEL RULE

Dr. Shengqian Ma is Other Personnel on NSF-style forms, not Senior or Key Personnel.
Apply the same treatment on any ASPECT form unless DOE defines its categories differently.
